Editor's Letter

OK, so every month we like to lay on a goodly array of cuties for you (quite literally, although sadly they don't often let us) – but a quick glance across to my right suggests that this month we've pulled out all the stops. Chloe Toy needs no introduction after her debut last year, and Jenny fantastic firm should be familiar, but Danika, Sandra, Jasmine, Kate and Lelani must make up the most stupendous 7 since Germany spanked Brazil the other week! Go on, put them in order of your preference – everyone here's come up with a different answer so far, which goes to show it's each to their own…

As much as I've tried in previous relationships, I find it very difficult to remain faithful to one person. So, I'm lucky to have met Abi a couple of years ago; she likes to screw around as much as I do, but we're always honest with each other and it obviously works for us – this is my longest relationship and we're still going strong. I've had a few flings – nothing serious, of course, as that's the main rule – and so has she. In fact, if I had a quid for every time I've found her in a club with her tongue down some bloke's throat, I'd have enough for a nice meal out – for two!

In the past six months or so, she's been experimenting with lesbian sex, too. At first, she'd just go out on the prowl by herself and go home with whichever woman she pulled, experimenting. Then she started bringing girls home to fuck, then asking me to join in – I love seeing her using a vibrator, while she watches another girl take my cock.

Obviously, things don't always work out that way – some girls she pulls aren't into guys and object when Abi tries to include me – so recently we've started going out together to find a bi-girl. Not long ago, we met a girl called Bianca. She was 20 – slightly younger than we normally go for, but she was obviously sexually experienced; when the conversation started getting dirty, she showed us a picture of herself with her mouth wrapped around some boyfriend's massive cock! He'd obviously just come – she had loads of spunk dribbling out from the side of her mouth like a porn star!

Abi told her we had some home movies we could watch, if she fancied coming back to ours – and Bianca agreed, enthusiastically. In the cab home, she started snogging Abi and when I started stroking her thigh she grabbed my hand and shoved it in between her legs, humping against my fingers as I rubbed her through the gusset of her soaking knickers.

Bianca got naked the second we were through the door – although I didn't object, I was surprised at her brazen attitude. Her tits were perky and her twat was shaven, except for a little strip above her moist pussy lips. We followed suit, stripping off, before Abi sorted out the DVD. That was a sight in itself – she was on all fours, giving us an eyeful of her nether regions as she rifled through our disc collection.

Abi had watched our horniest film a thousand times, so she turned her attentions to Bianca and I, as we watched. Bianca was on my lap, facing the screen; her long legs were on top of mine, with my stiff cock nestled along her slit. When she shut her legs you could the helmet peeking out, just below her mound.

"She started wanking me, grinding my swollen shaft against her clit..."

She started wanking me, grinding my swollen shaft against her clit, her fingers wiping up the pre-come already seeping out and smearing it sexily over her lips. Then Abi took over, rubbing my prick across Bianca's shaven labia. Onscreen was a close-up of Abi fucking herself with a massive dildo. I was filming 'Gonzo' style as she pulled out, swiping it over her tits and sticking it into her mouth to suck, before I moved the camera down to capture my cock penetrating her gaping hole.

I felt Bianca wriggle on my lap as Abi took my cock into her mouth so deeply her nose was right up against Bianca's clit. She used her fingers too, rolling the fleshy pink bud between them until Bianca was squealing, her arse cheeks splaying as she ground back against my belly.

"Bianca was getting so wet her juices were trickling out over my balls..."

After a while Abi switched over, letting my spit-wet cock slip out so she could go down on Bianca, my shaft up against her cheek as she ate pussy. Bianca was getting so wet her juices were trickling out all over my balls, and I was straining, dying to get my cock in that

Dear Michelle,

Well, what can I say? *Men Only* have only gone and done it again! 79.07 was an absolute scorcher, which I knew it would be as soon as I saw that picture of Tommie Jo on the cover! There's nothing like a big-boobed blonde in gingham, and TJ ticked every single box! What a shame it's just a piece of straw she's sucking on, rather than my old man! Still, there's nothing wrong in fantasizing, is there...?

While Tommie was the highlight of the issue for me, I was also utterly blown away by another busty blonde – Keira. What a truly wonderful specimen of womanhood she is! I could never resist a girl whose pussy is pinkening up with arousal, and that picture of Keira on page 33 was absolute perfection!

Another great issue to add to my collection – and I can't wait to see Jasmine in the next issue!

Keith, Dorking.

SANDRA

Photos: Dazglam

Sometimes in this business we find ourselves fretting about the minutiae – agonizing for ages over whether a set ought to have a pot plant in the background, and if so, should it be a yucca or an aspidistra? And in the end, once they pictures have been taken, nobody gives a toss about whether or not there's a bloody plant in the background… because there's a gorgeous sexy – not to mention more or less naked – woman in the foreground!

Anyway, as you can see, for these pix we decided to get rid of all the background paraphernalia and 'fess up – yes, we take pictures in a studio! – because when delectable Sandra turned up for this shoot, all of a sudden all our deliberations about the set dressing went right out of the window. 'Hmm, who don't we keep things simple?' we mused, figuring that the less time we spent arsing about with beds, pictures, rugs and pot plants, the more time we'd get to spend gazing at Sandra here. And it all turned out pretty much according to plan! As to how much of a turn-on the whole thing turned out to be, well let's just say that tripod wasn't the only one sporting a third leg by the end…

...Continued from page 4

dripping snatch. Watching myself fucking onscreen wasn't doing much to take my mind off it, either.

Abi must have sensed something because she quickly pressed my helmet against Bianca's clit, and slipped a finger inside her – just enough to get her aching to take something bigger; Bianca was audibly whimpering for my cock by the time Abi fed it inside her.

I ground my hips, moving her around on top of me. Abi told me later it looked so sexy, my cock straining up into Bianca's snatch, with my heavy balls hanging down. Abi cupped and rubbed them against Bianca's juice-sodden labia, my hairs tickling the smooth-shaved skin. She then licked them all over, sucking them one at a time into her mouth.

Bianca had her legs bent double, feet resting on my knees – something I'd only ever seen in porn films. She'd take my cock in to the hilt, then rise up so only my helmet was inside her – Abi was in like a shot, wanking my slippery shaft until Bianca wanted it all again. A couple of times Abi took it in her mouth, sucking off the cunt cream, then feeding it back into Bianca's hole.

When Abi stood up, Bianca joked she couldn't see the TV. "You've got the real thing!" replied Abi, gently pushing Bianca's head down so she could reach Abi's cunt. I tried to hold back but it felt like Bianca was milking the jizz out of my balls, and when I opened my eyes I saw my wife's tits bouncing around as this sexy girl of 20 got stuck into her snatch. I groaned that I was coming and Bianca spread her legs even wider, sinking down hard onto my cock to take my entire length inside her as I shot my load.

Abi lay back on the rug so Bianca could straddle her face, spunk streaming down the insides of her thighs. When she'd gulped down the mixture of Bianca's cunt juices and my spondle she gave Bianca a big snog, juices swapping from mouth to mouth.

The three of us spent the night fucking each other in every combination we could think of. At one point, the girls got stuck into each other while I filmed it – just a little something to watch if we ever bump into her again!

Gav, North Shields

HANNAH-MAL ATTRACTION

Dear Michelle,

First off I want to agree with Tom of Bracknell and his letter in the last issue about Georgie Lyall – she really is something special, and definitely the sort of woman *Men Only* should feature regularly! And secondly, many thanks for the pictures of Hannah Zebedee that featured in the same issue – she's got a lovely natural smile, and one of the most delectable little pussies I think I've ever seen. While I love the shots where she's holding it open for us, there's something about the picture on page 7 that's just completely arousing – she's not touching it all and we're just invited to take a look at what she's got between her legs. Stupendous! Please let's have more shots like this in the magazine – it'll make this reader very happy indeed.

Cheers for now,
Big Trev, Luton.

toys of the month

FOR HER: LOVEHONEY DELUXE MAGIC WAND

Lovehoney
£49.99

Almost every American pornstar we speak to raves about their Hitachi Magic Wand, but as it hasn't been regulated in this country, we've been missing out. Not any more, however, as Lovehoney have designed their own. Hoorah! Just as intense as the Hitachi model, with its ridiculously strong motor this beast of a vibrator packs a mean punch – the orgasm will be virtually forced from you! The mains-powered vibe is controlled by a wheel that varies the oscillation – from gentler sensations to body-shuddering, almost painful vibrations – providing almost-instant gratification. Sadly, all this power comes at a price; the Magic Wand is much noisier than lesser toys on the market, but the main downside is the cord; at 1.8m it's not quite long enough to practice sexual acrobatics. But then, it was originally designed as a massager – hence the bulkiness. This reviewer, for one, has been enlightened by this baby – and I won't have to buy batteries again!

FOR HIM: JE JOUE MIO VIBRATING COCK RING

Available now in black or purple from Lovehoney.co.uk
£74.99

We've all seen the run-of-the-mill cock rings – cheap jelly-like plastic things that don't quite stretch wide enough to fit comfortably and end up cutting in and causing pain, rather than pleasure. The Mio, from London-based company Je Joue, is somewhat different. Indeed the stretchy (and incredibly strong) but luxuriously soft silicone makes for a smooth and comfortable wear, while the quiet, vibrating clit stimulator means you and your partner can both get yours at once, while leaving your hands to get up to other things! Rechargeable, the battery on the powerful motor lasts for up to 2 hours – just enough time for you to explore each of the 5 vibration patterns and 25 different intensity settings, via the three simple buttons. It's completely waterproof, too, meaning the fun doesn't have to just stay in the bedroom...

Dear Michelle,

OMG! I think I've found the most arousing photograph ever taken – in your latest issue (79.07). The whole magazine had been up to your usual high standard, but just as I figured you were going to wind things up, you went and sprung page 95 on me! I mean yes, Ash is clearly a very sexy young lady, but I can only take my hat off to the photographer who managed to make her look so turned-on, hey wonderful pussy on full show and just begging for a stiff cock to be pushed between her juicy pink lips!

Please pass my thanks on to lensman Sage Style, and to Ash herself. She may not have won any AVN awards yet, but she's a winner as far as I'm concerned and no mistake!

Adam, Crewe.

DANIKA

Photos: Twistys

We're all for a bit of exotica mixed up with our erotica here at *Men Only*, so Danika here was right up our alley! So where does she hail from, we wondered… half expecting the answer 'Paradise'!

"No, not paradise, silly!" she laughed. "I'm originally from the Philippines, so that's where I get my looks from, I guess!"

Yowser. We don't know if there's much of a tourism industry over there, but if there girls look anything like you, we can't help thinking there are plenty of guys who might just fancy a trip!

"Ha – there's a bit of tourism, but not as much as the country would like. It's not the richest place in the world, and a few more tourists would be sure to help, I guess! Mind you, I can't promise that all the girls over there look exactly like me!"

Fair enough – and it's certainly quite a trek, so thankfully we've got Danika who's come over here instead to give us a glimpse of what may or may not be in store of the adventurous traveller.

"Well don't use me as an excuse not to go – there are plenty of fantastic things to see there apart from the girls, you know. The scenery's amazing, for starters!"

Scenery?! It would have to be pretty bloody incredible for us to give it a second thought, frankly!

Miss BEHAVIOUR

Real Life Adventures

Student Jessica is doing her bit for international relations…

I looked good and I knew it. It was my fourth week at University and I was absolutely loving it. I had already found the in-crowd that was forming in my year and had scoped out a few potential boyfriends too.

Today I had dropped my usual comfy (and scruffy) student look, and was wearing a flirty little dress which clung to my tits. I had added a pair of hold-up stockings and killer heels to complete the look.

Up to this point I had flirted with the top contenders, but now the gloves were off and it was make my mind up time! Before the my first lecture my select group of friends and I had flirted with the pick of the cutest guys, before making our way down to the front seats of the lecture theatre. I checked over my shoulder to see what the guys were up to, feeling miffed that they were taking no notice of me, but laughing at some shared joke.

> "When I cupped his tight balls my pussy clenched involuntarily as I realised he shaved them."

It was then that I noticed Javier, one of the numerous Spanish students, smiling at me. I was a bit taken aback: he was such a typical, preppy student, how could he think I would be interested in him?! He was good-looking enough, but he dressed like a kid from an elite public school. Even his designer jeans looked new and unworn, plus he was wearing a pink shirt and a bloody cardigan!

I was not going to be laughed at but knew that if I showed how much it bothered me I would look lame so I flashed Javier a smile and licked my lips. The girls tittered, and I turned back to them and told them I was going to have fun leading the Spanish nerd on.

At lunch I noticed Javier watching me so I went up to him, took his hand and asked if he would like to go for a walk. He was all stuttery and embarrassingly pleased.

I looked at the girls and winked as Javier and I walked back to the Arts block. Surprisingly, his English was perfect, and I tried not to snigger at his lame attempts to engage me in conversation. Making sure nobody was looking, I gave his crotch a squeeze. It confused him but his hormones had taken over and by the time we had found an unlocked door he was convinced that I was into him.

We were in an empty lecture hall. I made sure I had my phone to hand so I could take a snap of his little upright cock once I was finished leading him up the garden path. The others would love it, and it would teach him a lesson. He tried to kiss me but I pushed him back and began opening his flies and pulling his jeans and pants down. When I had groped him in the hall there had been no significant bulge so I was sure his tackle would be pathetic. What a shock I got! His erection was huge! Beautiful and huge.

All plans of making a laughing stock of Javier vanished as I dropped to my knees and touched his shaft. It pulsed in my hand as I stroked it and when I cupped his tight balls with my other hand my pussy clenched involuntarily as I realised he had shaved them. OMG! This was my every fantasy come true.

Javier stroked my hair, his hands wandering down to my tits as I licked his cock-head before going down on him. My head bobbed as I tried to take his whole length in my mouth, pushing his rod further into my mouth with each down-stroke. He was just too big, so I tilted my head back and began wanking his cock with my hand while fondling his shaven balls.

As his cock grew in my fist I felt his balls tighten, and with a loud sigh Javier pulled his cock gently back. " No, please," he whispered, "I want to take you properly."

In a lustful daze I smiled up at him as he helped me to my feet. My nipples throbbed

and my drenched pussy moistened my panties as Javier pulled my dress over my head. He pinched my nipples through the lace cups of my bra, sending sparks of desire crackling through my pussy.

I stroked his fabulous shaft, eager to feel it inside me, while Javier took off my bra and began rubbing my slit through my gusset. His fingers found my clit and he rubbed my sex-button until it was erect. My hand worked furiously on his thick shaft as he began sawing my panty gusset back and forth between my thighs until the friction of the fabric against my over-stimulated clit became too much and I came hard.

Puffing for breath, I watched as Javier pull his jeans off and I didn't even object when he stuffed my panties into a pocket. He bent me over the side of a row of seating, and began fingering the swollen and slick folds of my labia from behind. I wriggled as Javier brushed his helmet up and down between my pussy-lips.

Desperate to feel him inside me, I spread my legs and pushed my arse back against him.

> “He bent me over and began fingering my swollen and slick folds of my labia from behind...”

Javier placed a strong hand on my back as he thrust his cock inside, pushing me onto my toes as his schlong burrowed balls-deep into my come-wet slit on the very first thrust. His was the biggest cock I had ever felt and my pussy contracted and spasmed around the super-sized invader which was soon plunging in and out of me with full force.

So much for teaching the Spanish student a lesson! This guy was my ticket to heaven, and as he continued to fuck me six ways to Sunday I started to come, my internal muscles twitching and gripping as my pussy orgasmed like never before. When he finally came I gripped the seat, holding on for dear life, as he pumped every drop of his hot come inside me.

Afterwards I groped around for my phone so I could take a shot of his massive cock to prove to the girls that Javier was no nerd!

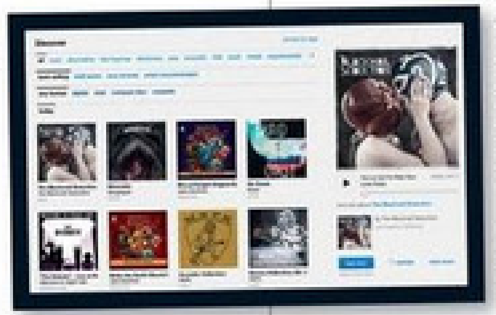
WEB RAT

A collection of all the weird and wonderful stuff we've found on the web this month. And if you've stumbled upon a great site you'd like us to feature, drop us a line at menonly@paulraymond.com!

LISTEN TO THE BANDS

http://bandcamp.com

Most people obtain their music, if they're obtaining it legally, from iTunes, Amazon, eMusic or one or other of the huge online downloadable music sites. Bandcamp is something different, inasmuch as it maintains catalog of 1.4 million albums – equivalent to 10.7 million tracks – on a site which is run on behalf of the music artists themselves. Yes, they're almost all independent releases, but what does that mean nowadays? – look at some of the globally-hyped trash which gets pushed in our nosebags by what remains of the music industry.



Some of the best music in the past five decades has come out of people's bedrooms and small studios. One of the interesting things other than the opportunity to stumble across something truly new, is the pricing. Because artists are selling and advertising (largely by goodwill and word of mouth) their own work, the prices are low… and the artists are getting almost all of the money for their works. And, if you're a musician like me (First Violin in the New York Philharmonic 1952-78) it's easier to flog your wares on Bandcamp than it is to set up a commercial Facebook page. Already they've already shelled out over $73m to their musicians in sales – almost $3m of that in the past month.

Trust me, one day I'll be (or see) a doctor. Sites like Bandcamp are A Good Thing. I knew Thomas Edison, though he did not know me, and despite the fact that his factory in Orange, New Jersey, was the only game in town, it has to be said that he turned out some meretricious tripe, e.g. *Hello, Mr Gladstone, I Am Talking To You On My New Invention, Which I Call The Phonograph*. (I also thought his *Mary Had A little Lamb* was derivative and lyrically an insult to the intelligence.)

LIVE THE DETECTING DREAM IN CSI TUNBRIDGE WELLS OR WHEREVER

http://www.crimescene.com

"Interested in joining a Crime Scene team?" Personally no, I have housework and some DIY to be getting on with, but anyone who spends all week glued to detective series and CSI-this, that, and the next place on the box, might very well be.

CrimeScene.com has been investigating fictitious murder and mayhem in Yoknapatawpha County, Mississippi, since 1995 and enabling ordinary non-law enforcement plebs like us to take part in their investigations – for a modest sum of money, obviously.

Crime Scene

Maid finds severed finger under bed.

Teams of writers and Photoshop artists are employed to create mysteries and police investigation documents, including witness biographies, evidence reports, and other realistic evidentiary paper trails, which are released in a teasing fashion to the amateur sleuth at his or her computer over a period of weeks. It's up to the site's members to spot the clues and to make the deductions which will allow them to solve the crime before their fellows.

Sounds a trifle like Professor Plum in the library with a candlestick ("My God, Professor! What ARE you doing with that candlestick!"), doesn't it, but, refreshingly, this isn't the case. This month for example, CrimeScene members are furiously attempting to close the case of "The Head In The Bucket."

"The Yoknapatawpha County Sheriff's Department is investigating the discovery of a human head inside a bucket found in a wooded area in Taylor, Mississippi." Bloody heck! "Local children happened upon a nearby vandalism scene on Saturday." Goodness – how traumatic! "That discovery led law enforcement to the secondary scene where the human remains were found." By Jupiter!

The case is organized into categories of Interviews, Evidence, Biographies, and Press, and their online store flogs footprint casting powder, body bags, crime scene tape, semen detection tests and the like.

QUICK PICKS

There Was A Young Girl Whose Thighs…
http://www.sexlimericks.com

Ever since Owl And The Pussycat author Edward Lear popularised the poetic form of the limerick in his *Book of Nonsense* back in the days of the Dear Old Queen who was never "amused", people have naturally gravitated towards the more bawdy examples. This site is not short of instances. Here you will find such fresh modern classics as:

There was a young harlot from Kew,
Who filled up her fanny with glue.
She said with a grin,
"If they pay to get in,
Then they'll pay to get out of it, too."

And the priceless:

"There once was a girl of Peru
Who complained she had nothing to do,
So she sat on the stairs
Counting her pubic hairs:
Four thousand, six hundred and two."

Buggered Bugattis and Pranged Porches
http://www.wreckedexotics.com

If you've ever nearly been run off the road to your death by some flash, toothy twat in a sports car which costs several times more than your house, these delightful galleries of absolutely totalled super-expensive automobiles – such as the Lamborghini Diablo, Ferrari 360 Modena, Dodge Viper, Mclaren F1, Bugatti, Ferrari F50, and more – concertina-ed against walls and wrapped around telegraph poles will gladden your heart.

'It felt As Big And Hard As Stone'
http://statuemolesters.com

When I was young I was, naturally, something of an artistic prodigy and for some time I fancied that I might become a world-famous sculptor. Thank heavens I did not waste my precious time, because it seems as though every likeness of a human (or animal) cast in marble, bronze or iron spends more time being felt up and fingered than aesthetically admired.

This site provides gallery upon gallery of mindless miscreants at play – people who just can't keep their paws off of statues' genitalia. It's doubly sad that many of the people up to this nonsense seem to be serial offenders. I say we should double the number of bobbies on our streets and reintroduce hanging.

CHLOE

Photos: Twistys

Mmmm! Essex cutie Chloe Toy's set quite a few pulses racing ever since she first appeared in *Men Only* last year, and every time we see her now she just seems to get hotter and hotter! MInd you, she has pulled out all the stops for us this time round with that lacy lingerie she's sporting…

"Do you like it?" she asks. "I was worried I might look a bit too much like Andy Pandy in it – the stripes are a bit full-on!"

Andy Pandy?! First of all, what's a delicious think like you doing knowing about programmes that were on the telly 50-odd years ago! And secondly, If Andy Pandy had looked anything remotely like you do in that get-up, it would have been watch with father rather than watch with mother!

"I'm sure it wasn't 50 years ago – my little sister used to watch it about 10 years ago, and it looked pretty new to me!"

Hmm, OK, perhaps they remade it or something, but what the hell are we doing prattling about kids' TV when there's Chloe's delectable bod to concentrate on?

> “I love fucking in my scenes. I don’t do this just for the money. I do it because I have so much fun doing it!”

CHANEL PRESTON

Exotic, sultry knockout Chanel Preston was born in Alaska December 1, 1985. Her heritage is Spanish, German and English.

Chanel not only took acting classes and was into both dancing and painting while growing up, but also played the trumpet, did piano recitals, and performed in local plays. She even did some Shakespeare before she followed a boyfriend to Hawaii and began her career in the adult entertainment industry as a bartender and stripper. Times were hard and the recession had hit Hawaii along with the rest of the world, so there wasn’t much money to be made even as a stripper. But her striptease booking agent just so happened to be former pornstar Nikita Kash, who told Chanel everything about the business and piqued her curiosity.

The rock-hard 5’8” brunette soon travelled to different strip clubs across the USA, before her sense of adventure led her to California’s Porn Valley. Chanel started performing in explicit X-rated fare at age 25 in 2010 at an age when many girls have already retired.

Chanel wanted to promote herself in the classiest way possible, accepting work for the best directors and pacing her performances in order to extend her career for as long as possible. And although she looks like an uptight fashion model, her sex scenes are much raunchier than her looks suggest and her personality is intelligent, impulsive, adventuresome and friendly...

What is the biggest misconception about you?
People who have seen my modelling shots but never my movies tend to think I’m boring and stuck-up. I’m the opposite of a lame fuck; I love fucking in my scenes. I don’t do this just for the money. I do it because I have so much fun doing it and after a scene I’m actually even more aroused!

Tell us about your first scene. Were you nervous?
I was nervous beforehand, but I knew that once I started doing it that I’d be okay because that’s how it went when I started stripping. When I got on stage, the nervousness went away, and that’s how it was with my first sex scene too. I don’t want to say that it was natural, but it was really easy and I was totally comfortable with it.

What did your scene entail?
It was for Vivid and I fucked Nick Manning. He is a good, intense lay. I gagged on his thick cock before getting

“Giving oral sex is the best way to get me aroused. I love hard cock!”

rammed nonstop and begged for even more. I think I proved to everyone that I love to swallow by getting my face blasted before feasting on Nick's goo.

What are some of the things you enjoy most in bed?
I love ass play with men. Any guy that lets me lick his asshole or finger it will drive me crazy. Especially if I can tell that he really likes it. Often the director will ask us to do specific things, but I usually lick ass even if they don't ask me to.

Any other turn-ons?
I have many! I'm very oral, so I love giving blowjobs. And I'm not just saying that. Giving oral sex is the best way to get me aroused. I love hard cock, especially when I feel it growing in my mouth.

Do you like anal sex in your personal life?
I loved it even before I started in porn. It's all about having something filling up my ass while I rub my clit. I don't know what it is about me, but in my personal life, if I'm having trouble coming, I'll just do anal and then I can get off. And I like to fuck with butt plugs in all the time. I have a new one waiting for me at home. It's bigger and better!

So you like sex toys?
Overall I think it's really arousing when someone can make you come with just their tongue, fingers or whatever, but I can't deny that toys are fun. Toys are always a great way to explore different areas of your body. I would have to say that my favourite way to masturbate is with a fat dildo in my pussy, a bullet on my clit and a butt plug in my ass, all at the same time.

What can a guy do to convince his girlfriend to try anal sex?
First of all, don't be pushy. You suggest using a vibrator on her first, to help her relax and realize how good it can feel. Also, I prefer to do it for the first few times in the missionary position because you are better able to completely relax. Remember to use lots of lube, too.

Do you have a boyfriend right now?
No I just ended a three year relationship and it's nice to be on my own. So I see no reason to find a new boyfriend.

Do you ever date regular guys?
Of course, I love the regular guys. In fact it's not easy to date a porn stud so I prefer guys who are not in the business.

What kind of men do you like?
I don't really have a type. I'm the girl who goes out with a well-established older man, then move on to a pool boy, then have some fun with a butchy lesbian. Variety is great!

What does your family think of your adult career?
They don't really have a problem with it. My sister used to be a phone sex operator, so me going from stripping to porn wasn't a big deal.

Your funniest moment on set?
There are tons of funny moments when you're making these kind of films, and I'm not sure I could choose just one. But the crew guys are just as often often making fun of me, because I fall asleep everywhere, and I mean everywhere! The days can get pretty long sometimes when you're waiting for the sex scene to start…

What are some of your hobbies?
I work out every day, either at the gym pumping iron, or I go hiking or swimming. I'm also into skydiving and all kinds of other outdoor activities. I travel a lot so I don't have a lot of time to do hobbies but I love music and would love to pick up playing the trumpet and piano again.

If your porn career was to finish tomorrow, what would be your fondest memory from it?
Wearing full body make-up, a wig and prosthetics for the porn spoof of *Avatar*! Do you have any idea how hard it is to fuck and suck when you are painted glow-in-the-dark blue and covered in latex? It was a pretty amazing experience!

One of the (admittedly many!) great things about this job is that we get to study a great variety of female forms. We get to see all sorts, and there's something to be said for all of them, but Brit babe Jenny Laird boasts, in the expert opinion of the office committee who likes to discuss these things, two absolutely stunning attributes (OK, three, of you factor in her gorgeous face); her bum is absolutely stunning – full, curvy, round, firm and perfectly symmetrical. If you were designing a woman from scratch, it's just the sort of bum you'd pick to adorn it. And then there's her stupendous pussy, with lips just the right shape, length and tone – they've got to be one of the most enticing and inviting sets we've seen (and we've seen plenty!). But does Jenny herself favour any particular part of her anatomy?

"Oh, I don't know, I think most girls would like everything to be a bit different, wouldn't they? But I guess I'd go for my pussy as well – it's given me, not to mention some of my special friends plenty of pleasure, after all!

We bet it has!

JASMINE

London lovely Jasmine Webb's got the sort of looks and body to drive a guy to distraction, and she's clearly not averse to putting her attributes to good use…

"Of course not!" she grins. "I love wielding control over guys. Just the thought that with one look or movement I can get a bloke's cock twitching and then – well, he's mine to do whatever I want with!"

Lordy – it sounds like us fellas had better watch out!

"There's no need for that," she purrs, coming over all innocent and fluffy. "After all, what I usually like doing with a guy is attend to his every whim and desire!"

Oh, well that doesn't sound so bad, then!

"I don't usually have too many complaints. First of all, once I know I've got a guy's attention, I like to make sure he's good and hard by just stroking him through his trousers. It never takes long. Then, I like to unzip him and fish his hard cock out, kissing him full on the lips as I tease hard helmet in my hand…"

Alright, we get the picture! You're in danger of finishing us off before we've even started!

Aliens, as we all know, come in all shapes and sizes – from little green men to, erm, Robin Williams's Mork. Still, not many of them come in quite such an appealing shape and size as the alien featured in this intriguing flick from director Director Jonathan Glazer (of *Sexy Beast* fame), because it looks, moves and talks like Hollywood superbabe Scarlett Johansson!

OK, from the curious opening to the film we're perhaps to understand that she's taken on the guise of some hapless earthling, but either way, it's Miss Johansson who drives her van around the rather desolate-looking environs of Glasgow picking up a series of blokes who can't quite believe their luck. And, as it turns out, they were quite right not to believe it, as a thoroughly chilling fate awaits them when they get back to her gaff – very far from the bunk-up with a slinky sex-bomb they were hoping for. A very unsettling but thought-provoking and hypnotic film, with a great performance from Johansson, not to mention the rest of the (often unprofessional) cast.

HOUSE OF WHIPCORD
PETE WALKER

The 70s were a cracking decade for exploitation flicks, and this is a classic example of the British take on the subject, rather in the spirit of Jess Franco. It's also got a touch of a precursor to flicks like Wolf Creek. Patrick Barr plays a retired judge who, hankering for the bygone days of corporal and capital punishment, presides over a house of correction for young women who tend to end up being flogged and hanged for minor misdemeanours. Silly, but atmospheric and memorable – a real guilty pleasure from a bygone age of British film!

RUSSELL CROWE
NOAH

Well, someone at Paramount clearly thought what the world needed was a big screen epic based on, well, the most far-fetched story in the entire bible, and then someone else (unless it was the same person!) figured that brooding Russell Crowe was just the man to portray the ark-building legend. Talk about a load of cobblers, although at least we get have a character called Ham, which lends itself to plenty of jokes. If you forget about the biblical stuff and just take it as a big-budged historical epic it's still daft, but actually quite fun once you get into it. Ray Winstone's in it, too…

"BRILLIANT"
THE DOUBLE

Richard Ayoade impressed with his directorial debut Submarine a couple of years back, and he's showing no sign of letting up with this, his second feature. Based on a novella by Dostoyevsky (like so few films these days), it tells the tale of a dull functionary (Jesse Eisenberg) whose world is thrown into turmoil when a charismatic doppelganger starts work in the same office. An allegory for human duality and even mental illness? Almost certainly, but it's still funny and boasts a fine supporting cast – deffo worth a look.

ISABELLE ADJANI
ONE DEADLY SUMMER

Now we don't want you to think we've given this one 7 out of 10 purely on the strength that it features quite a lot of the delicious Isabelle Adjani being provocatively sexy and not wearing overmuch – although it does help! Adjani plays Elaine, who moves to a quiet town with her parents, and quickly sets local passions aflame. But it appears there's more to Elaine's background than meets the eye… Actually a thoughtful and nicely shot film, with an emotional punch that you don't always find in those films that used to have a red triangle up in the corner…

SACRED 3

Sacred 3

PS3, X360, PC.

8/10

Familiar with the earlier Sacred releases in the series? There's a good chance you might not be, the original Sacred having been aimed at PCers and not having a console release at all. Sacred 2 attempt to rectify this, but was found a bit wanting by the PS3/Xbox brigade, who weren't really sold on the RPG elements – that's not what you fork out on a pricey console for after all, is it? Anyway, here comes Sacred 3, and there's been a bit of a shake-up, with Deep Silver having picked up the license from Ascaron, the original developers. ANd now the game's being pitched more squarely at consolers (old school – no Xbox 1 or PS4 nonsense here), there's more action thrown into the traditional role-playing mix…

You get to play as one of 5 characters, including a seraphim, who's got much nicer boobs than your old-fashioned angel. It looks pretty spiffing, and while the whole thing is a bit of a dweebs' fantasy, we've got no problems with peddling fantasies. If you've got plenty of spare time, this'll help to fill it nicely!

GARDENER'S CUTIE

Last summer I was working as a gardener to supplement my meagre student existence. I had a pretty sweet few weeks working for some rich woman in a place out in the sticks.

There was one who I only knew as Mrs Jenkins. A tanned, statuesque blonde with piercing green eyes and soft freckles on her button nose, she was obviously quite a bit older than me but I fancied her immediately. Despite the instant recognition of a wedding ring I never got to meet Mr Jenkins. Probably a good thing as it turned out.

Over the next few weeks, Mrs Jenkins occasionally made me a cup of tea and had a quick chat while I was working. She spoke dead posh in a sexy, husky voice and had this dirty laugh that made my toes curl. However, like most posh people she also seemed a bit uptight. How wrong I was.

One day when the weather was really warm I saw Mrs Jenkins swimming in the pool. As I walked up to ask her about some tree she wanted planted I noticed her discarded bikini top lying on the side of the pool. Trying to catch a glimpse of her unholstered boobs, I cleared my throat and said, "Er, excuse me Mrs Jenkins, I've got the conifer sapling you wanted me to plant. Where shall I...?"

My voice died as Mrs Jenkins stood up in the pool, her great boobs spilling out over her cupping hands. The water only came up to her waist. Her lustrous blonde hair was plastered back over her head showing dark roots. Her petite nose was wrinkled mischievously and her mouth curled into a sensuous smile. I was temporarily rendered speechless.

"No, I want you to join me," she drawled before removing her hands. For a moment I stood there in shock watching the water trickle down her chest and over her dark brown nipples that stood to attention, begging to be sucked.

Then she raised a finger and beckoned me to join her with hungry eyes. That broke the spell. I ripped off my T-shirt and fell over trying to pull my socks off before cupping my semi-erect penis and jumping into the pool.

"I want you," she purred, swimming towards me. Her hot breath was on my face and we kissed, frantically exploring each other's mouths. Reaching down to feel my full length, she gasped and flashed a secret smile. While she was expertly tugging on my rock hard cock with practised strokes, I played with her exquisite boobs. Now and again she broke free, took in a big gulp of air and disappeared underwater to plant her teeth playfully around my swollen, throbbing shaft.

> "Her hot breath was on my face and we kissed, frantically exploring each other's mouths."

When it was my turn to remove her bikini bottoms and plant a finger into her wet and willing hole, Mrs Jenkins made little mewling sounds. She thrust her soft boobs towards my face as I sucked on her big nipples. Her breathing became harsh and ragged.

> "As my thrusts became firmer and deeper her green eyes rolled up with pleasure."

"Fuck me," she pleased.

She wrapped her long legs around me and guided my fella inside her. Mrs Jenkins continued staring at me with a hungry, predatory look as I began to fuck her sopping wet cunt with long, slow strokes. As my thrusts became firmer and deeper her green eyes rolled up with pleasure. She moaned and began to buck, nibbling on my lips and ears and burrowing her head into the hollow of my neck. Her eyes glazed over and she began to thrash wildly as I pounded into her. Mrs Jenkins came in a raucous whimper, her face contorted in ecstasy as the tremors shook her body.

We moved over to the side of the pool and she leant over the stone, facing away from me. I entered her from behind, watching her fantastic arse rippling as I ploughed into her. Reaching forward, I grabbed her heavy, jiggling tits and pinched the nipples, which drove her wild. She began to scream, "Oh fuck me, fuck me!"

> "I felt my aching cock grow bigger inside her and grunting I exploded filling her cunt..."

I felt my aching cock grow bigger inside her and grunting I exploded, filling her cunt in a torrid explosion of sticky come.

Panting, we staggered out of the pool and collapsed in a heap on to a sun lounger. Once she had regained her breath, Mrs Jenkins turned to me with a look of annoyance.

"The garden really is a terrible mess," she sighed.

Puzzled, I looked at the perfectly manicured lawn and neatly trimmed hedge.

"Would you consider going full time?" she asked sweetly.

And that's pretty much what I did for the next fortnight or so, although you'd never have guessed from the state of her garden, which didn't look much better at the end of it all!

Dan, Coventry.

RED HOT AND GORGEOUS

It's a well-known fact that I'm a sucker for redheads, so when my neighbour dyed her luscious brown locks I had a suspicion that it was for my benefit. "You like it?" Beth asked, running her fingers through the thickest part of her newly-bloodshot mane. We were at the local take-out but it wasn't the food I was hungry for.

"I love it," I said, really meaning it.

"I was hoping you might like it," she said, her face flushing prettily. "I wasn't sure whether you just went for natural redheads or..." Beth let the words stop as she looked down at her feet. I already knew I made her nervous but now I knew why.

"So when you dyed your hair, you did it for me?" I asked, stepping closer as we leant on the counter. The food frying in kitchen meant it was hot and noisy. Beth murmured an answer which I didn't quite hear.

"What was that?" I asked, gently lifting Beth's chin.

Beth pursed her lips and then admitted, "Yes," still in a soft voice.

"And what were you hoping would happen?"

"I, erm..." Beth replied. The colour in her cheeks intensified rapidly. She really was a bag of nerves.

"Maybe this?" I asked, and took Beth's hand and placed it on the hard lump of my cock. The steamy window meant no-one outside could see us clearly, while the kitchen staff couldn't see our bottom halves because of the counter. I waited for a gasp of horror or for disgust to enter her eyes. Instead, Beth's fingers tightened as her eyebrows arched.

"You're hard for me?" Beth asked, with genuine amazement.

"Don't be so surprised, Beth." I moved my mouth right up to her ear. "You're fucking beautiful with or without the red hair." A shy smile crept across Beth's face as she tucked her hair behind her ear. She gazed up at me and I noticed her tongue dart over her lips. I took that as an invitation and without giving myself time to think better of it, I bent down and kissed her. Beth groaned happily but it was the way she squeezed my cock that made me echo that noise. Her mouth opened against mine as she wanked my cock through my work trousers. I was lost, forgetting where I was as my hand gripped her bottom and lifted her slightly. Beth didn't fight or pull away as I trapped her against the counter and ground my cock against her skirt. At least she didn't pull away at first. Somehow she managed to separate her crotch from mine for a moment. I jolted as her fingers scrabbled their way through my clothes and touched the bare flesh of my cock.

"Hot wet slipperiness touched against the tip and then engulfed the head..."

"Fuck me," she gasped. Her voice was very husky and needy. My eyes widened at the invitation, then again as Beth sprang my cock free. She meant here and now. I didn't resist as her hand wrapped around my cock and urged it forward. Hot wet slipperiness touched against the tip and then engulfed the head of my cock. Not only was Beth not wearing knickers under her little denim skirt but she had guided my cock inside her pussy. We both inhaled sharply with pleasure as we gazed into each other's eyes. I couldn't believe that we were having sex but did nothing to stop it. Neither did Beth. We both started thrusting experimentally, although Beth controlled the pace as she pushed herself up and down, riding my cock as we leant against the counter.

"What if someone comes in?" I protested weakly.

Beth moaned. "I was kind of hoping that you might come... in me." I quickly scanned every direction. The noise from the kitchen would mask a significant amount of noise and anyone opening the door would see only the back of my coat. Bending my knees, I thrust up into Beth's welcoming pussy. Her head shot back and her mouth came open in an expression of physical joy. Taking a firm grip of her hips, I repeated the move. Beth allowed me to take some of her weight as she wrapped a leg around my waist. She used the leg to pull me in closer, urging me to drive my cock in deeper. Her pussy felt amazing as I slid my cock in and out properly. It was so unexpected, yet so welcome that I was already close to exploding inside her.

Beth's hands gripped my back, pinching hard enough to cause me pain. "I'm going to come," she whimpered. Her body shuddered and flexed and her weight became heavy on my cock as she stopped supporting herself. "Oooh good God!" she groaned. If the pulsing of the muscles gripping my cock was anything to go by, Beth's orgasm was extremely powerful and it was obvious that she was fighting to keep herself quiet. Only when the sound of her breathing returned to normal did she open her eyes. Her pupils were dilated as she checked the staff in the kitchen. They were oblivious but it was clear that our meals were close to being served.

Beth turned back to me and licked her lips.

"I nearly came just watching her mouth open to take my crown..."

"Maybe you can give me a little starter?" Where had the shy girl gone I wondered as she dropped to her knees and wrapped a hand around the root of my cock. "Don't worry, it'll be quick," she promised. Beth had no idea just how quick it might have been. I nearly came just watching her mouth open to take my shiny purple crown. The stimulation inside Beth's mouth was intense. She was hungry and not for the order she had placed. Her hair became a blur of autumn colours as she set about giving me a furious blow-job. She wanted me to come quickly, so it wouldn't be embarrassing if I just gave up and let fly. My mind went blank as my body went as taut as a bow string. My cock twitched. Beth looked up at me with wide eyes and that expression made my balls tighten. I could feel the spunk shooting out of my cock, which meant it was filling Beth's mouth. She moaned happily, obviously sharing my pleasure. She sucked softly and then swallowed. Beth wasn't quite finished. Her hand tightened as it wanked my fading cock, forcing all my juices out. Beth wanted them, wanted to taste and swallow them. When she stood up, finished, her lips were wet and shiny. But the sexiest part of Beth's lips was the smile. It was huge and unrelenting.

"Hmmm," she sighed, licking her fingers. "I really enjoyed my starter," Beth murmured, as I took out my wallet and paid for both meals.

"Me too, and I know what I want for dessert," I said, letting my hand drop from Beth's waist onto her bum as we left the shop. "The problem is that I'm not sure whether it's on the menu."

"What is it you want?"

"Something red, hot and gorgeous," I said. Beth grinned and slipped her hand around my back.

"Oh, that's definitely on the menu."

John, London.

Nothing worth watching on the telly again? Well, maybe that's God's way of telling you it's time to pop in a porno flick and spend some time with someone you really love…?

Big Tits At Work 20

4/5

Brazzers

Cast: Liza Del Sierra, Yurizan Beltran, Tory Lane, Danya Vendetta, Juelz Ventura, Riley Evans.

From what we've seen of Brazzers' BTAW series so far, it's one of the most consistent series knocking around, so whenever a new instalment drops onto the reviewing desk, it doesn't take long for it to fined its way into the machine for a viewing…

Busty brunette Liza Del Sierra kicks things off, heading to the office loo for a bit of cheeky phone sex – but things quickly turn into actual sex courtesy of the plumber in the next cubicle who's (rather ineffectively) trying to fix the other bog. She gives the lucky fella a blowie and a great tit wank before allowing him to wedge his plunger up both her nether holes in what turns out to be a cracking opener. Still, it's onwards and upwards, because scene features the delicious Yurizan Beltran as a saucy bank clerk. She's a bit of a gold digger, mind, and when a formerly broke customer gets rich, he strikes lucky with Yuri as well, giving her the sort of boning most of us could only dream of over the desk in the bank's back office. Sadly Yuri's own back office remains closed, but we're not going to quibble about a thing like that, and her stud doesn't seem too put out either as he lams away at her slippery slot before dropping his load over her boobs.

Fans of anal get plenty to keep them happy next, mind, with Tory Lane taking a DP she won't forget in a hurry, and there's still loads more to come – the threesome with Juelz and Riley being specifically worth checking out. Bang on from Brazzers, as ever! **Available from your local sex shop.**

Editor's CHOICE

A Family Affair 2

3/5

Union Films

Cast: Brooklyn Blue, Jasmine Jae, Ava Dalush, Alyssa Divine, Tia Layne.

As anyone who saw the first instalment will know, DemetriXXX has got a rather complicated family arrangement – well, fictional family, in any case. And complicated in the sense that they all seem to be fucking each other, but no quite in an incestuous sort of way. For starters, his 'Dad' Colin's just married busty blonde flamper Brooklyn and, while he's poking her in the back of the family limo, sonny pitches up and joins in, which strikes me as a nice welcome to the family for a new step-mum!

Then they're all off for a weekend at the family's home in France (you know it's France because there's some accordion music in the background). In keeping with the holiday spirit, Demetri's soon nuts deep in Alyssa, while his mate Peter slips Jasmine Jae (in the role of 'horny wife') a length down the other end of the bed. Thrown in a bit of spit-roasting for both girls and every ends up with a broad grin on their face!

There's some alfresco fun after that, with Ava and Tia joining the fun before we're done – very solid and personable UK smut. **Available from your local sex shop.**

The Initiation of Alina Li

4/5

Harmony

Cast: Alina Li, Sam Bentley, Casey Calvert, August Ames, Cameron Dee.

Alina Li's a saucy hardbodied Oriental girl who's clearly pretty new to this porn business, but thankfully, as she explains in the preamble, she loves cock, because it makes her so wet. To prove the point, we cut straight to her with her chops wrapped round a big knob. Mmm, it's certainly eye-pleasing stuff as she slurps away on her lucky stud's length, taking it all to the back of her throat before finally hopping on board and easing herself down on the thing. They go through most of the stand moves, but Alina's enthusiasm raises this above your typical boy-girl scene, and by the time he was dropping his load on her tongue, I have to admit, the movie had me hooked.

Scene two sees Alina lezzing it up with the rather tasty (but oddly named) August Ames by a pool. With the help of a big pink dong the girls keep each other royally entertained, although I couldn't help feeling that this scene belonged before the previous one, frankly…

Alina sits out the next scene, allowing Casey to take centre stage, with two cocks to enjoy herself with. She does a fine job with them, too, wanking and slurping away until the lads flip her over for a DP. It's intense stuff, and Casey wails throughout as they pound away at her, fore and aft. Toppermost stuff from the dirty flamper, and we can only hope it isn't too long before Alina takes a leaf out of her book and gets in the middle of two knobs!

Cameron Dee's a naughty blonde who only has the one cock to handle, but she does a grand job of it nevertheless, really looking the part as she takes a reverse cowgirl pounding in the back garden before taking her dose of manfat on her pubes, which makes a nice change from the usual options. Finally Alina's back, tag teaming with Sam Bentley and Casey, who's back for a welcome reprieve. The shot with all three girls' bums in the air is really something to behold! **Available from your local sex shop.**

Fashion Shoots And Money Shots

4/5

Private

Cast: Anissa Kate, Ashley, Nataly Gold, Savannah Secret, Mira Sunset.

Savannah's posing for one of those classic 'Girl with a bamboo ladder' sets, but if she'd had any sense she's have spotted the great big massage table there and realise what's in store. She's soon spreadeagled on in, playing with her impressively old style hairy nadger, and within another minute or two the snapper's forgotten all about taking pictures and started taking liberties. Once the drilling starts Savannah displays a secret talent – squirting, and sprinkles all over the place every time he pulls out. Rude stuff, and a very strong opener that the rest of the film will do well to match.

To be fair, Mira gives it a damn good go in the next scene, with two cocks pounding away at her in no time, and some great sounds being produced along the way.

More solid bum action from Nataly, keeps things ticking along nicely, and with Ashley and Anissa to follow, this is a film that ticks a lot of the boxes! **Available from your local sex shop.**

Women Seeking Women 99

3/5

Girlfriends Films

Cast: Chloe Foster, Prinzzess, Jessa Rhodes, Jayden Taylors, Bree Daniels, Kendall Karson.

Stone the crows – there aren't too many porno series that get up to 99! I guess when you've hit on a winning formula there's no point changing it, but still! Anyway, as you've probably guessed, this is an all lesbo affair, which seems to consist of a few young porn stars acting all coy and pretending they've never lezzed it up before, while a couple of older pornstars convince them that they really ought to give it a try. Chloe and Prinzzess are the first pairing to get down to the nitty-gritty this time, although they don't half spend a lot of time snogging before it gets a bit more risqué. Umm, and after that things continue in a very similar vein, the only toy being a strap-on that gets a brief outing in the final pairing (Prinzzess again, this time with Kendall).

There's clearly a strong market for this kind of thing, but maybe it's mostly lesbians themselves, 'cos from where I'm sitting it all looks a bit samey. Still, each to their own, eh?! **Available from your local sex shop.**

Reckon it's time we slipped in another home-grown *Men Only* debutante? Oh, all right then – allow us to introduce curvy Kate Santo! The 23 year old Essex-born babe's fairly new to this modelling lark, but from where we're sitting she's taken to it like a duck to water…

"Well, I've done some work on TV, – maybe your readers have seen me there? It's very good practice for being natural in front of a camera, so now I'm posing for stills it's a bit of a doddle, frankly!"

We're very pleased to hear it's all coming so naturally – if you're this relaxed on your first Men Only shoot, we can't wait to see what you'll be like in a year or two when you've got a few more shoots under your belt!

"Ooh, is that an invitation to come back?"

Er… yes – we guess it is!

LELANI

Photos: Twistys

As far as codas go, they don't come much tastier than Lelani Gold, another *MO* newcomer who's so hot we can't help wondering what the Ed's doing her keeping her back to the final set of the mag! *(Hey, I like to keep my standards up from the first page to the last, you know! – The Ed.)* Still, given that that's where he's put her, we can only hope that you're not too drained from all the other stunners we've featured this issue to appreciate her. If you are, perhaps we might suggest you put the mag away for a bit – go and have a cuppa or even a bit of a snooze, and then come back again, and this time read it from back to front!

Done that? Good, then what a splendid way to kick the issue this is, eh? Lelani her's got something for everyone, hasn't she? Lovely natural boobs, a peachy bum, a juicy pussy and, well, supermodel looks, frankly! So how come she's showing it all in *Men Only* rather than strutting her stuff on the catwalk?!

"I'm not really into all that high fashion stuff – I'd prefer to be sexy than trendy!" she chirps.

Well, you've totally nailed it love, and no mistake!

Issue 79.09 on sale August 22nd

Well, our scouts have been out and about, scouring the world on the look-out for more hotties to feature in the magazine, and they've come up with a couple of right corkers this month in the shape of Shae and Lucy! Here's a little taster of what they've got to offer, but we're afraid that if you want to see more, you'll just have to hang on for a few weeks. Still, the grass probably needs cutting, doesn't it? No? Oh well, you'll just have to find something else to do!

Coming next month
